Eastleigh Lakeside Railway

The 10¹/₄" & 7¹/₄" dual gauge miniature railway runs from its main station, Eastleigh Parkway to Monks Brook Halt and then back to Eastleigh Parkway.

Trains are usually steam hauled.*

The journey of just under 1¹/₄ miles takes about 15-20 minutes. Monks Brook Halt gives an opportunity to visit the lakes, children's playground or use the adjacent picnic tables.

Our souvenir shop stocks the full range of Thomas and Bigjigs models.

*except for the last trains of the day

Eastleigh Lakeside Railway has 25 Locomotives in its collection. We believe this is the largest collection of Miniature Locomotives on a commercial railway in the UK. 22 are steam and most of them are in steam on gala days.

The Early Years

This year marks the 25th anniversary of Eastleigh Lakeside Railway. To celebrate this, we are holding a special Gala Weekend on the 22nd and 23rd July.

The 2-day event will feature all our locomotives, subject to mechanical availability.

The theme will be the 1990's at ELR so our original fleet of 5 locos' will take centre stage. Sandy River, William Baker, The Monarch, Sir Arthur Heywood and D1994.

All the other locomotives will then run for a period of time over the weekend in the order they arrived at the railway.

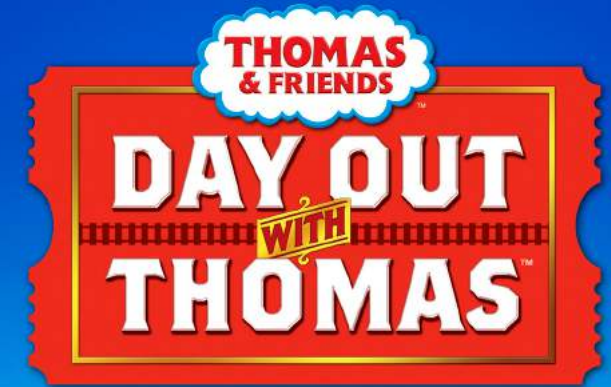

The timetables, details of other attractions and special trains will be published on the website.

www.steamtrain.co.uk/whats-on

Normal standard class fares apply for the weekend with the addition of Day Rover Tickets available to book in advance as well as on the day.

Children £8.00 Adults £10.00
