Eastleigh Lakeside Railway

The 10 1/4" & 7 1/4" dual gauge miniature railway runs from its main station, Eastleigh Parkway to Monks Brook Halt and then back to Eastleigh Parkway.

Trains are usually steam hauled.*

The journey of just under 1 1/4 miles takes about 15-20 minutes.

Monks Brook Halt gives an opportunity to visit the lakes, children's playground or use the adjacent picnic tables.

Last train 15 minutes before closing time. Our souvenir shop stocks the full range of Thomas and Bigjigs models.

*except for the last trains of the day

Eastleigh Lakeside Railway has 24 Locomotives in its collection. We believe this is the largest collection of Miniature Locomotives on a commercial railway in the UK. 21 are steam and most of them are in steam on gala days.

Surrey Border & Camberley Railway Weekend June 16th and 17th

The Surrey Border & Camberley only operated for two years, 1938 and 1939 but it went down in history as one of the most elaborate miniature railways ever built. HCS Bullock built all the engines for this line. Eastleigh has three of the engines that ran there. Edward VIII, Western Queen, Silver Jubilee, plus Firefly will be visiting.

ENJOY A TRAIN RIDE WITH THOMAS,
MEET THE FAT CONTROLLER & MUCH MORE!

**27th-28th May, 7th-8th July,
